

DESICCATED COCONUT

DC is the oldest form of coconut that was developed as an industry. Today Sri Lanka is among the top five exporters of desiccated coconut in the world.

Freshly harvested coconuts are cut into different serving sizes and dehydrated offering many varieties ranging from super fine, fine, medium, flakes, shreds and threads. Distinguished by its unique taste, aroma and higher fat content Sri Lankan desiccated coconut attracts a higher price over its competition thus there are buyers who specifically seek "Sri Lankan origin" desiccated coconut.
